

What our people say

**"Realising that I could
continue my NHS pension
was a huge plus."**

**"The workforce is highly skilled
with responsive professionals,
who work hard to provide
high-quality patient care."**

**"gtd healthcare offers
fantastic wellbeing initiatives
and programmes and actively
encourages staff to participate."**

**"The non-medical
prescribing forum provides
the opportunity to learn
from fellow colleagues."**

**"The vision and values
of the organisation are
embraced by all employees."**

**"gtd healthcare makes the
effort to support, include and
encourage all staff to feel
valued."**

**"If I had known about
gtd healthcare earlier in my
career, I would have made
the move much sooner."**

**"gtd healthcare provides a
fantastic learning environment.
There are opportunities to work
alongside experienced staff across
a range of areas and access a
dedicated training academy."**
